**DETAILED ACTION**

***Allowable Subject Matter***

This Notice of Allowance is in response to the Decision by the Board on June 30, 2008

Claims 1-22, 25 and 26 are allowed.

***Examiner's Statement of Reason's for Allowance***

The following is an examiner's statement of reasons for allowance.

This Notice of Allowance is in response to the Decision by the BPAI on June 30, 2008.

Prior art was found, Luciano in view of LeStrange, which disclosed many of the features of the Applicant's claims.

However, the Board found that the prior art did not render obvious all the Applicant's features of the independent claims. The BPAI did not find that the combination of the prior art rendered obvious the features of the gaming machine to retrieve stored vouchers (claims 1, 14, 17, and 25) accepted by that gaming machine for later processing (claim 9: "sorting") by that machine.

Hence, the Board did not find that Luciano in view of LeStrange supported a 35 USC 103 rejection of the Appellant's claims.

Hence, the Board stated that the prior art cited does not render obvious the combination of the specific features stated above.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably

accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
